CURRICULUM & LEARNING ENVIRONMENT WHAT IS THIS SCHOOL DOING TO IMPROVE STUDENT LEARNING AND TO PREPARE STUDENTS FOR THE FUTURE?

SCHOOL READINESS

We are blessed to have a kinder academy in June that prepares our incoming kinders for what they will be experiencing in the fall. In addition, we have kinder assessments before they start school to assess their incoming levels

and readiness for school.

ACADEMIC SUPPORT

We are a small rural school district that believes in success for every student. We will build in academic support for each student based on their needs.

ACADEMIC ENRICHMENT

Reading and Mathematics literacy are priorities of our academic program.

In addition, we have a 1:1 technology initiative and a STEM/TEAMS initiative.

It is our goal to build strong readers and mathematicians. These learners also need to be tech-savvy and able to navigate their way in the 21st century.

We are bless to still have music, art, library, and physical education for all students.
