Culver High School

October 16, 2017

Dear CHS Families,

Unbelievable! Amazingly, October is almost over and the Thanksgiving Holiday is coming up fast. Incredible!! I hope this letter finds you all in a time of happiness and joy with your family and friends. I wanted to update you all on happenings at CHS. Attached with this newsletter is your child's current progress and last school year's Oregon State Report Card.

A few key points I want to share with all of you is our Juntos program is returning this year. It occurs on Monday nights, from 6 to 8 PM in our STEM Lab. Please join us! Ed Options is a new opportunity for all of our students to expand their options to gain a high quality education. This program can offer students the chance to make up credits and/or speed up their process and possibly graduate early. Avanza is also returning this year, and it is offered on Fridays during school hours, but the class period will change each week. Please contact the school if you have any questions.

The first semester ends on January 25th, 2018, so please help and encourage your child to become as successful as possible if they have some room for improvement on their progress report. Conferences are on Wednesday, November 8th from 4 to 8 PM and on Thursday, November 9th, from 8 AM to 12 PM. Conferences will take place in the cafeteria.

Our fall sports seasons are winding down to their final week and then our winter sports season is upon us in November. Please encourage your child to get involved with their school through athletics.

Please treasure the times with your children, hug them a little tighter, smile a little bigger and know that we thoroughly enjoy working day in and day out with your child.

Wishing you all my best,

Brad Kudlac
Principal

Josh Davis
Assistant Principal
