How to search Moda to see all networks any provider participates in & find Medical Homes

*****Do NOT go to MyModa and Do NOT log in!**

- 1) Go to: www.ModaHealth.com
- 2) Select OREGON.
- 3) In the Middle of the Left hand side of the page, Click FIND CARE.
- 4) In the box that says **SEARCH AS A GUEST**, click GO.
- 5) Click the types of providers you want to search, ex: Medical.
- 6) If you know the name of the provider or facility, type in the provider name (start with last name) or facility name. A drop down list should open up with choices, pick the correct provider.
- 7) Add any additional criteria, or enter a location and provider type to find all providers.
- 8) Click SEARCH.
- 9) The results will be on the left under the map. In the box for the desired provider, look in the Bottom Right corner where it says "Networks:
- 10) All networks the provider/facility is a member of will be listed there. Look for Connexus and/or Synergy.
- 11) If you see the Icon of the Blue House with a circle around it and a + in the middle, it can be your Medical Home.

To search for Medical Homes:

- 1) Follow steps 1-4 above.
- 2) In the Provider Type box, select either "Medical Home Clinics and Medical Groups" or "Medical Home Providers and Doctors".
- 3) Enter the location you'd like your Medical home to be in: Madras, Redmond, Bend, etc.
- 4) Enter the State of OR
- 5) Enter any other criteria you want to narrow your results.
- 6) Click SEARCH.
- 7) You can both zoom in on the map and search by location, or scroll down the list and choose anyone that is accepting new patients and a member of your network.
