

Culver School District #4 *Word Thinking*
Beyond Walls The Future

Brad Kudlac, Principal

Josh Davis, Vice-Principal

Culver High School

January 26, 2018

Dear CHS Families,

Here we are at the midpoint of the 2017-18 school year! I can't believe how fast this year has progressing. It has been filled with some amazing memories and great accomplishments by our students. The second half of this school year will be exactly like the previous 6 months I presume.

Enclosed in this mailing and newsletter is a lot of information for you as we work to the end of the school year. Obviously, your child's 1st semester grades are included.

Also enclosed is information about opting out of the Smarter Balanced State Assessment. Please look it over and if you don't want your child taking this particular test, please return it at your convenience. As we near the end of the school year, we will be notifying families and students about our state testing schedule. We are going to modify our schedule a bit in comparison to year's past. It will not have any impact on your child's daily schedule of attending school, but we need our students in attendance as much as possible when we start to test.

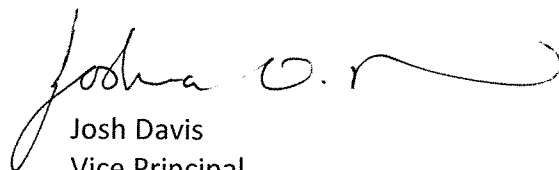

As we progress into the future, we are adding our Site Council Committee back to Culver Middle and High School. Part of our new School Improvement Plan includes this committee. If you are interested in joining this committee please contact the school at 541-546-2251.

We look forward to great finish to the 2017-18 school year at Culver Middle School.

Sincerely,

Brad Kudlac
Principal
Culver Middle and High School

Josh Davis
Vice Principal
Culver Middle and High School
