School Goals

- GOAL 1 - Increase K - 5 Achievement levels on the State Assessments to be at or above the state average by 2025.
- GOAL 2 - Increase academic opportunities and choices at every school, both during and outside the instructional day.
- GOAL 3 - Promote a positive climate through increased individualized communication, professional development, and teamwork.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
