For schools and districts across the U.S., family engagement is becoming an integral part of education reform efforts. We are always asking and seeking parental input and volunteers, please contact the front office if you would ever like to get involved with your student and our middle school.

#### COMMUNITY ENGAGEMENT

We are always welcoming guest speakers, volunteers, and visitors of any sort that want to positively impact our student population. We'd love to have anyone help or get involved with our students about career exploration and/or college readiness.
