Dear Parent or Guardian:

We are pleased to inform you that **Culver School District** will be continuing to implement the option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for School Year 2024-2025.

## What does this mean for you and your children?

All enrolled students of **Culver School District** are eligible to receive a healthy breakfast and lunch, at school at **no charge** to your household, each school day of the 2024-2025 school year. No further action is required of you. Your children will be able to participate in these meal programs without having to pay for meals or submit an application.

If your children attend other schools that are not participating in CEP, your household may still need to fill out a confidential meal application or pay for meals.

If you have questions, please contact your Food Service Office.

If we can be of any further assistance, please contact us at 541-546-7519.

Sincerely,

Kelli Keiski
